

**Beau Brown:**

Hello, I'm Beau Brown President and CEO of California Casualty.

Our focus is on groups and associations, that's been our niche since 1951 and we look forward to working with you.

We provide competitively priced insurance products and services tailored for selected affinity group markets from an insurer you can trust. California Casualty was founded in 1914 by my great grandfather. California Casualty's insurance companies are policyholder owned, so our main focus is our policy holders.

Because we focus on groups whose members are in a particular occupation we're able to tailor products and services to meet the special needs of members of groups like yours.

Our policyholder surplus is so strong we can stand the test of time through catastrophes and through difficult periods. At California Casualty we act with integrity, we fulfill our promises, and we're dedicated to providing exceptional customer service. We're a company you can trust.

Welcome to California Casualty!
